Financing of the United Nations Mission in the Central African Republic and Chad

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Mission in the Central African Republic and Chad[1] and the related report of the Advisory Committee on Administrative and Budgetary Questions,[2]

Recalling Security Council resolution 1778 (2007) of 25 September 2007, by which the Council approved the establishment in Chad and the Central African Republic, in consultation with the authorities of Chad and the Central African Republic, of a multidimensional presence, and decided that the multidimensional presence shall include, for a period of one year, a United Nations Mission in the Central African Republic and Chad,

Recognizing that the costs of the Mission are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Reaffirming the general principles underlying the financing of United Nations peacekeeping operations, as stated in General Assembly resolutions 1874 (S-IV) of 27 June 1963, 3101 (XXVIII) of 11 December 1973 and 55/235 of 23 December 2000,

Mindful of the fact that it is essential to provide the Mission with the financial resources necessary to enable it to fulfil its responsibilities under the relevant resolution of the Security Council,

1. *Requests* the Secretary-General to entrust the Head of Mission with the task of formulating future budget proposals, in full accordance with the provisions

[1] A/62/544.
[2] A/62/572.

of General Assembly resolutions 59/296 of 22 June 2005, 60/266 of 30 June 2006 and 61/276 of 29 June 2007 and other relevant resolutions;

2. *Expresses concern* at the financial situation with regard to peacekeeping activities, in particular as regards the reimbursements to troop contributors that bear additional burdens owing to overdue payments by Member States of their assessments;

3. *Also expresses concern* at the delay experienced by the Secretary-General in deploying and providing adequate resources to some recent peacekeeping missions, in particular those in Africa;

4. *Emphasizes* that all future and existing peacekeeping missions shall be given equal and non-discriminatory treatment in respect of financial and administrative arrangements;

5. *Also emphasizes* that all peacekeeping missions shall be provided with adequate resources for the effective and efficient discharge of their respective mandates;

6. *Reiterates its request* to the Secretary-General to make the fullest possible use of facilities and equipment at the United Nations Logistics Base at Brindisi, Italy, in order to minimize the costs of procurement for the Mission;

7. *Endorses* the conclusions and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions,[2] subject to the provisions of the present resolution, and requests the Secretary-General to ensure their full implementation;

8. *Requests* the Secretary-General to include in his 2008/09 budget submission details of the mechanisms that exist at Headquarters and in the field for ensuring coordination and collaboration between all the United Nations actors active in the relevant mission area;

9. *Notes* that the Secretary-General did not propose an integrated mission, and recognizes the importance of coordination and collaboration between the Mission and the United Nations actors active in the mission area;

10. *Underlines* the need for the deployment of staff to be phased in order to conform to the operational needs of the Mission as it evolves and to the support capacity of the Mission, and stresses in this regard that, during a mission's start-up phase, the principal focus of the mission should be to get core capacity in place quickly;

11. *Also underlines* the need for the deployment of civilian staff to be phased in accordance with the deployment of the European Union operation and the Mission's police personnel, as well as with adequate security provision on the ground;

12. *Requests* the Secretary-General to ensure that future budgets contain sufficient information, justification and explanation of the proposed resource requirements relating to the Mission's operational costs to allow Member States to take well informed decisions;

13. *Notes with concern* that the budget for the Mission for the period from 1 July 2007 to 30 June 2008 was not submitted in a result-based budgeting format,

and requests the Secretary-General to ensure that forthcoming budget for the Mission for the period 2008/09 is submitted in full compliance with relevant General Assembly resolutions on the preparation of the budgets for peacekeeping missions;

14. *Reaffirms* its resolution 55/231 of 23 December 2000, and requests the Secretary-General to prepare the budgets for peacekeeping operations in full compliance with that resolution;

15. *Decides* to establish two posts for the conduct and discipline team and two positions to be funded from general temporary assistance;
